# ANNUAL REPORT

---

2023-2024

# About iFeel

iFeel, a registered non-profit organization certified by Pakistan Centre of Philanthropy with tax exempt status, has been serving the under-served since 2007, through its health, education, food and financial assistance initiatives.

iFEEL's network of 15 community schools in Rawalpindi-Islamabad has to-date benefited thousands of students by providing them free-of-charge quality education including books, stationery and food.

All this has been possible with the blessing of the Almighty and the continuous support of our donors within and outside Pakistan.

# Chairperson's Message

---

”

With the blessing of Almighty Allah, the year 2024 marks 17 years since iFeel started its welfare activities and 9 years as a registered NPO.

Through the support of our donors, iFeel is currently operating 15 schools across the twin-cities, providing quality and free-of-charge education to children from under-privileged communities. Tens of thousands of people have benefited to-date from iFEEL's education, health, food and financial support programs.

The iFEEL team started in 2007 with the vision to help humanity for the sole-purpose of pleasing the Almighty and we firmly believe that it is the Almighty who will provide us with the means, medium and resources to achieve this vision.

Dr. Tayyaba Siddiqui

CHAIRPERSON

“

# CEO's Message

---

”

In line with our vision of pursuing excellence in everything that we do, iFeel has continuously strived to improve its academic program to ensure that our beneficiaries - over-age out-of-school children are successfully fast-tracked with the required learnings to integrate with the mainstream secondary education.

iFeel's Special Accelerated Learning Program is the cornerstone of our academic program which has been developed based on globally-recognised accelerated learning programs and refined over the years to our local needs.

We continue to invest in our teachers' training and development and believe that we will only be able to sustain our growth by developing and retaining quality faculty.

Mahrin Iqbal

CEO

“

# Vision

---

## **Organisational Vision:**

Pursue excellence in education & healthcare services for the under-served, free-of-charge, for the sole purpose of pleasing Allah SwT.

## **Vision for Education:**

To be a catalyst of change for the under-served children of the society by becoming one of the premier primary and secondary education systems of Pakistan, enabling our children to become constructive citizens, equipped with high moral and ethical values and equipped with the knowledge and skill-sets to lead a beneficial and fulfilling life.

# What we do

## OSCS

Out of school children (OSCS) is an accelerated primary education program that aims to bridge the educational gap for children who have missed out on their early years of education. It offers a condensed curriculum of 7 years of education, delivered in just 3.5 years. OSCS is designed to cater to low-income areas, where children are overage for their grade level and may not have had the opportunity to attend school at the appropriate age.

The program goes beyond just providing education by offering additional support to students. This includes free books, stationery, and uniforms, as well as a nutritious lunch to ensure that children are healthy and energized to learn.

By providing these resources, OSCS aims to remove the barriers that prevent children from accessing education, empowering them to achieve their full potential and succeed in their future endeavors

# What we do

## **IFEEL FOR SKILLED EDUCATION**

This initiative aims to provide vocational training and skills development programs for marginalised communities. By equipping individuals with practical skills and knowledge, iFeel for Skilled Education helps to improve their employability and financial stability.

Currently, we are running stitching and carpentry vocational training programs and plan to increase these in future, In'Sha Allah.

## **IFEEL FOR HEALTH**

To improve access to healthcare and promoting healthy living among underserved populations, iFeel partners with local health organisations to provide medical care, health education, and preventative services to communities in need.

We also provide medical assistance financial support to our teachers and students on regular basis.

# What we do

## **IFEEL FOR HUNGER**

iFeel for Hunger is a project that aims to combat food insecurity and hunger around the world. By working with local farmers and food banks, iFeel for Hunger provides nutritious meals and food assistance to families and individuals who are struggling to make ends meet.

Providing ration to students in need during the month of Ramadan is another way that we support our community.

## **IFEEL FOR ORPHANS**

Our team is also proud to support iFeel for Orphans, a project that focuses on providing support and care for orphaned children.

Through partnerships with orphanages and children's homes, iFeel for Orphans provides basic necessities such as food, clothing, and shelter, as well as educational and recreational activities to help children thrive.

# What we do

## ALUMNI SUPPORT PROGRAM

iFeel ensures that its students are not left to navigate the challenges of post-graduation life alone.

iFeel's support system not only includes career guidance, counselling, mentorship and networking opportunities, but also includes financial support to pursue advanced education.

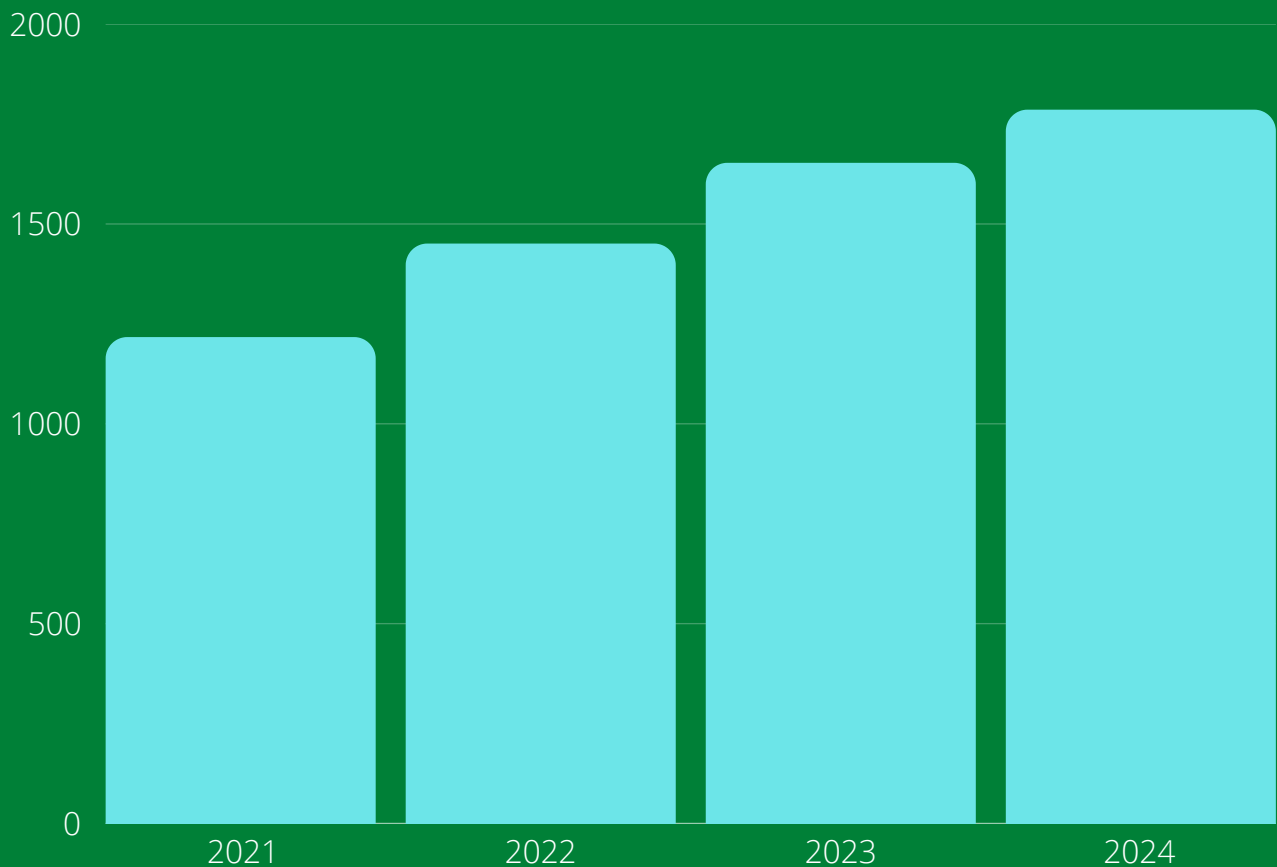

The goal is to empower students to pursue their passions and achieve their goals.

62% of iFeel's total enrolment comprises of female students.
