INTERNATIONAL FOUNDATION FOR
EDUCATION, EMPOWERMENT
& LEARNING

Bringing Quality

EDUCATION

for all, free-of-charge

for the First Time in
Rawalpindi & Islamabad

01

About Us

The International Foundation for Education, Empowerment and Learning (iFeel) is a registered non-profit, certified by the Pakistan Centre of Philanthropy and recognized as tax-exempt under section 2(36)(c) by the Federal Board of Revenue.

Since 2007, iFeel has been creating opportunities for underprivileged children across Rawalpindi–Islamabad. Through our 17 community schools, we provide free, high-quality education to children who would otherwise be out of school. Every child who walks into an iFeel classroom leaves with confidence, dignity, and hope for a better future.

02

Our Vision for Education

To be a catalyst for change for underserved children in society by becoming one of Pakistan's premier primary and secondary education systems — empowering our children with the knowledge and skill sets they need to lead meaningful, constructive, and fulfilling lives.

03

Our Journey – 18 Years of Transforming Lives

iFeel began in 2007 with a simple mission:
to bring education to children working on the streets and in garbage heaps.

Today, we operate 17 schools across Pakistan, providing thousands of children each year with free books, stationery, uniforms, nutritious meals — and, most importantly, a safe and caring learning environment.

04

Our Approach To Quality Education

At iFeel, quality is not optional — it is essential. Our teachers receive continuous training to deliver education with professionalism, empathy, and excellence.

- **Building character and life skills**
- **Exploring emerging sciences like Robotics, AI, and Coding**
- **Participating in sports and extracurricular activities**

07

Our Request - Sponsor A Child Change A Life

iFeel is a movement by the people, for the people. Your zakat or donation can transform the future of a child — and of Pakistan. With just Rs. 5,000 per month, you can give a child the gift of education, hope, and a brighter future.

05

Our Work

Through a network of 17 schools across the twin-cities, thousands of out-of-school over-age children have benefited through iFeel's Special Accelerated Primary Program and were able to successfully continue secondary education.

IFeel also adopts established schools in the twin-cities' outskirts and operates them on its free-of-charge model.

06

Our Impact

Through iFeel's community schools, tens of thousands of children have completed their education and gone on to pursue secondary and higher studies. Many are now supporting their families with dignity and contributing positively to society.
